

# SALAM NATIONAL HONOR SOCIETY

*This contract is being made between the NHS and \_\_\_\_\_ for tutoring sessions in the NHS student center.*

## **Rules for NHS Student Center**

1. You **MUST** give prior notice if you can't show up- sign-ups will be a day before so try to be very sure of your attendance
2. Not attending 2 tutoring sessions without giving prior notice will result in not being allowed back in
3. Showing any disrespectful behavior will result in not being allowed back in
4. If we see any signs of a student not wanting to be there or does not seem dedicated, then we will ask them to leave- we want to see a willingness of wanting to do better from students
5. **COME ON TIME!** We have very limited time
6. **DO NOT** use the tutoring as an excuse to not go to recess and then wander the halls- this will also cause us to be in trouble
7. Have any specific questions ready so it's easier for the tutor to know what exactly to focus on
8. The tutor is there to help you, **NOT** to give you the answers or do your work for you
9. You cannot leave the room until time is not up.
10. Bring all your books and supplies because forgetting your book should not be an excuse to leave the room and go wander around.

**I have read and agreed to the terms listed above and I understand that I cannot hold tutors or the student center liable for any poor grades.**
