

# Salam School Chess Club

Chess is played by hundreds of thousands children across America. Many studies have shown that chess improves a student’s reading and math skills, logical thinking, and memory. Salam School will be hosting a Chess Club for students in 2nd through 12th grade. The club will be led by chess coach, chess teacher, and parent Bob Patterson-Sumwalt. Based on their ability, students in the chess club will participate in lessons, matches with other students, and tournaments. The afterschool club consists of 8 sessions on the following Fridays: October 10, 17, 24; November 7, 14, 21; December 5, 12. **Chess Club will not meet on October 31 and November 28 because school is not in session on those days.**

Chess Club students will have the option to participate in a chess tournament where they will be competing with different schools in the greater Milwaukee area. Parents will be notified when the tournament is scheduled.

**Location: Salam Elementary Gym**

**Time: 3:30 pm - 5:00 pm**

**Days: Friday October 10, 17, 24; November 7, 14, 21; December 5, 12**

**Cost: \$50 for an 8-week session which includes the use of chess boards, chess clocks, and lesson resources needed during class. A snack and drink will also be provided.**

**Grades: 2nd grade through 12th grade**

**Please return form by Oct. 6, 2014**
